News & Notes

Special Quotes ...

We've gotten several calls lately for special quotes for items we don't stock – needed the same day as the call. We are more than happy to help with those items, but unfortunately same-day quotes are unlikely. We have to request pricing from our vendors, they have to request pricing from the manufacturer, & that pricing has to work its way back through the "chain" to us. Please allow for at least a couple of days for us to process special requests.

Temporary Delay ...

We have been notified by the manufacturer that the Pinnacle 27 laminator (CPA #30395) is currently on back order for at least 2 weeks. For that reason orders may take slightly longer to fill.

Product Change ...

Due to manufacturer delays, CPA #51670 utility cart has changed from a Continental brand product to Rubbermaid. Our price will remain the same, but the Rubbermaid cart is black instead of gray.
